REMARKS

This amendment is filed per Article 1.312 37 CFR after Notice of Allowance dated December 28, 2011. The Applicant requested to make a minor correction in independent claim 29, i.e., to add "and/or" accidentally missed to correspond to the subject matter recited in other independent claims (e.g., see claim 1 line 5) and to correct antecedent basis.

Please notice that "wherein said predetermined condition is that the strength of the communication from at least one other cell is greater than a threshold" was added at the end of claim 29 per Examiner's amendment in the Notice of Allowance dated December 28, 2011.

Respectfully submitted:
